INFRASTRUCTURE UPGRADATION

The High School and Hostel block is nearing completion and should be operational by June 2019.

Up gradation of the Play ground, putting up of an Indoor stadium, Amphitheatre and development of infrastructure within the campus including roads and drainage have now started.

PARENTS TEACHER ASSOCIATION

This has been active and consists of Teacher members and Parent members. Two meetings have been organized during year on 19th June 2018 & 16th November 2018.

FUTURE PLANS

The School is now at the take-off stage and must be guided very carefully. New academic plans including getting rid of rote learning is bearing fruit, Parents will need to be patient to see the changes envisaged.

CONCLUSION:

Top officers both retired and in-service are at the helm of affairs in the School and it is only a matter of time before we see our School on top.

The School has entered its 10th Year – Decennial Year of formation and it is only a matter of time before the school reaches the top.
